PROFESSIONAL SUMMARY

Full-stack developer with 1+ year of hands-on experience across the complete web development lifecycle — from requirements gathering through deployment. Proficient in React, Node.js, Python, and MySQL. Results-oriented professional with a track record of building scalable systems, applying agile methodologies, and maintaining clean version control with Git. Eager to contribute to fast-moving development teams and grow toward a technology leadership role.

WORK EXPERIENCE

Cafiooccidente | *Systems Assistant (Internship)*

Jan 2025 – Jul 2025

- ▶ Designed and built a full-stack electronic equipment inventory system, cutting asset lookup time by ~60% compared to the previous manual process.
- ▶ Developed an associate information lookup module with user authentication, improving internal data availability and security.
- ▶ Implemented an automated travel-price calculation system for cooperative agencies, generating digital payment vouchers and eliminating manual workflows.
- ▶ Ran periodic accounting data backups, ensuring operational continuity and compliance with data security policies.

SENA | *Software Developer (Institutional Project)*

Jan 2024 – Dec 2024

- ▶ Built a role-based access control (RBAC) web application for tracking entry and exit of people and vehicles, deployed in production at the educational center.
- ▶ Applied SOLID principles and MVC architecture to improve system maintainability and scalability.
- ▶ Managed version control with Git using conventional commits and feature branching strategies.

EDUCATION

SENA | *Associate Degree – Software Analysis and Development*

2023 – 2024

Focus areas: web development, relational databases, software architecture, and agile methodologies (Scrum).

TECHNICAL SKILLS

Frontend: HTML5 / CSS3, JavaScript (ES6+), React, Tailwind CSS

Backend: Node.js, Express.js, Flask, PHP, Python

Database: MySQL (relational design, query optimization)

Tools: Git, GitHub, Figma, Postman, AppSheet

Practices: Scrum / Agile, REST APIs, MVC, feature branching

Languages: Spanish (native) · English (A2-B1) — fluent technical reading
